One day as you flip through the pages of this edition of the Tiger, we hope it will bring back the many cherished memories that were so important to you during your years at Tidehaven.

I would like to extend my special thanks to the staff and to our sponsor, Mrs. Verna King, for the work and time that each one has spent helping to put this edition together. Without the hard work of these people and the advice of Mrs. King, this book may never have been published.

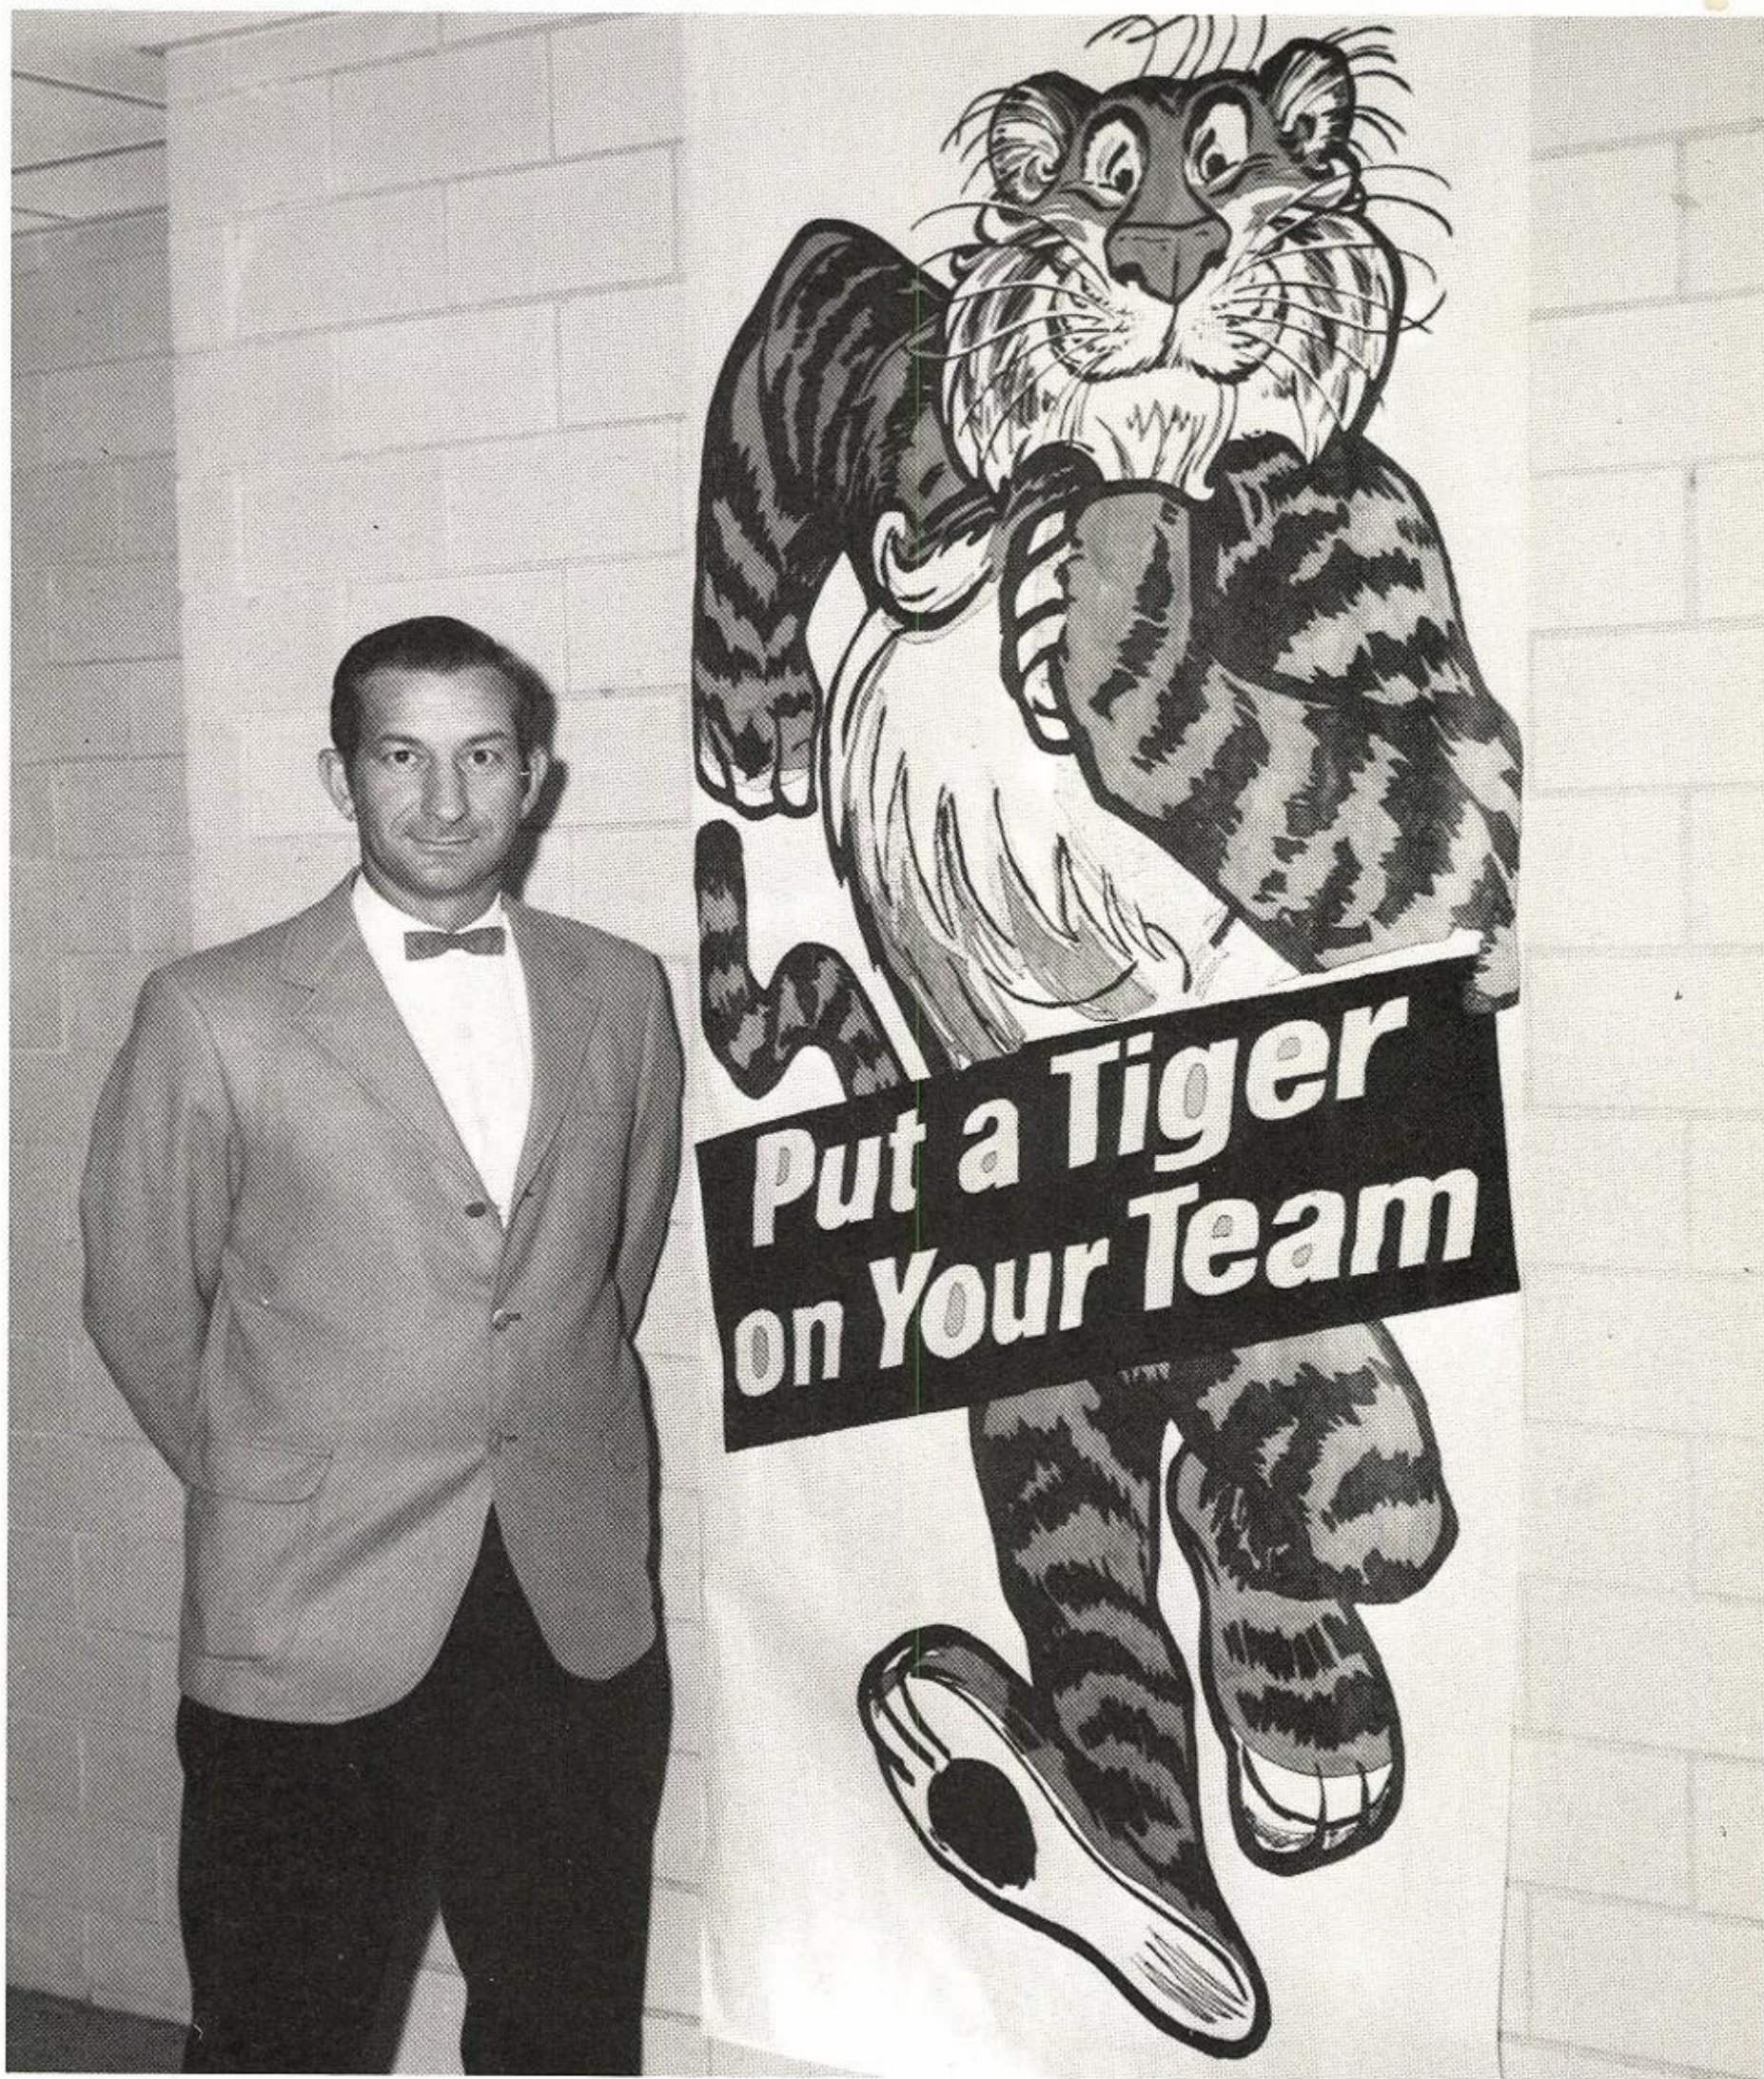

I, along with the rest of the staff, hope that we have accomplished the goal we set for ourselves, to provide you with a book of memories that will last forever.

## *Dedication*

We, the annual staff of 1972, proudly dedicate this edition of The Tiger to a person we admire both as a leader and a friend.

We wish to honor with this book William Boskas, our head coach, who contributes so much to our sports program, to the spirit of Tidehaven High, and most important, to the education of our students. We want to let him know that his dedicated work of enriching our minds and bodies to prepare us for the future is not overlooked.

#### WILL YOU BUILD OR DESTROY?

As the 1971-72 School Year ends my hope is that you will realize the great heritage that is yours, by remembering that the Good Lord gave you being and a soul, your parents gave you love and guidance, your teachers gave you knowledge, your friends give you trust, your Country gives you opportunity and life offers you a challenge.

These are priceless gifts. Now what will you do with them? Will you use them in building a firm foundation for the future; or will you ignore them and tear down what others have built for you?

#### Which Are You?

"I watched them tearing a building down,  
A gang of men in a busy town;  
With a ho-heave-ho and a lusty yell  
They swung a beam and the sidewall fell  
I asked the foreman: "Are these men skilled,  
And the men you'd hire if you had to build?"  
He gave a laugh and said, "No, indeed.  
Just common labor is all I need.  
I can easily wreck in a day or two

What builders have taken a year to do!"  
And I thought to myself as I went on my way,  
Which of these roles have I tried to play?  
Am I a builder who works with care,  
Measuring life by the rule and square?  
Am I shaping my deeds to a well-made plan,  
Patiently doing the best I can?  
Or am I a wrecker, who walks the town,  
Content with the labor of tearing down?"

### YOU ARE IMPORTANT

You are important. When you were born the population of the United States, your state and your community increased by one. One more mouth to feed, one more body to clothe, one more potential patient for doctors and dentists, one more student for schools, one more member for a church, one more prospect for the undertaker.

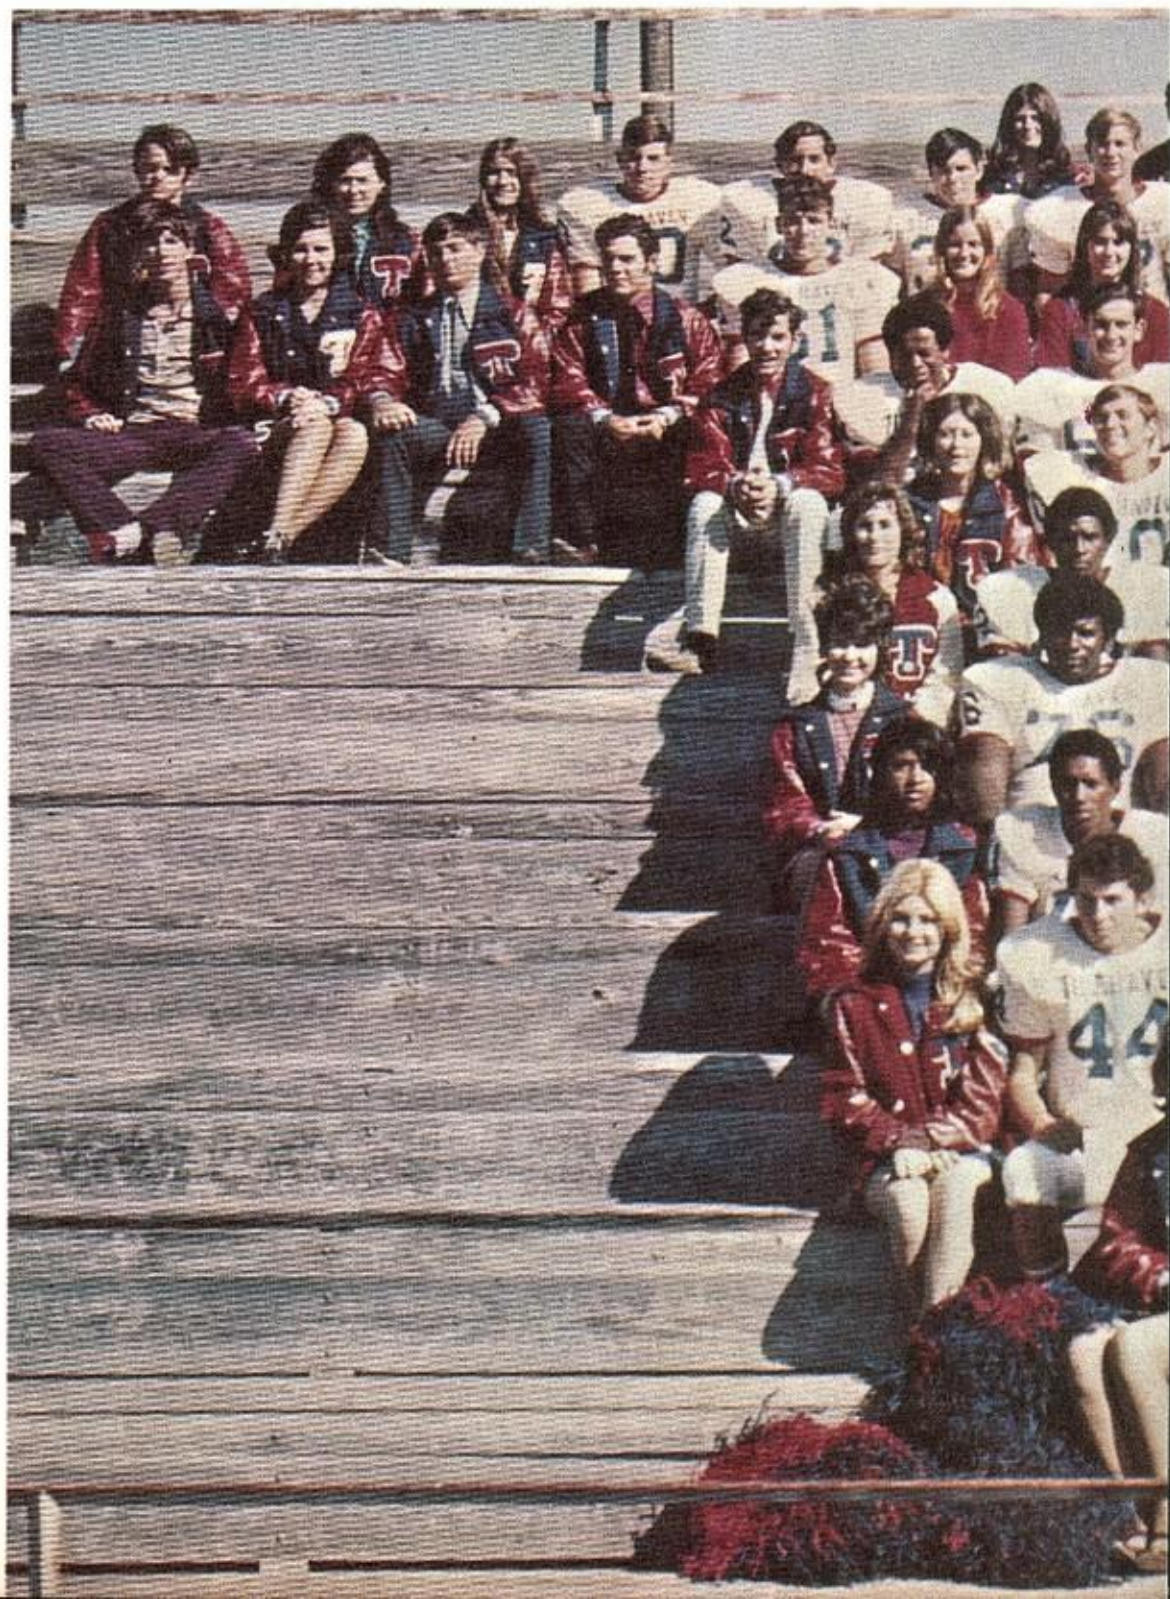

All these services and hundreds more, the community stands ready to furnish you. You will take pride in paying for them promptly. Besides these things you can pay for, you are inheritor of many things you can pay for only by doing something to continue the progress of humanity. This is the legacy of youth and you are now preparing yourself to accept this legacy and pay for it. May you do this gracefully and to the best of your individual abilities.

A line drawing of a lark perched on a jagged rock formation. The lark is facing right, with its head tilted upwards and its beak open as if singing. Its body is covered in a pattern of small circles and lines, suggesting feathers. The rock formation is composed of several sharp, vertical, and slightly curved lines, giving it a craggy appearance.

## Senior Class Will

We, the Senior Class of 1972, though we are of unsound mind and shaky body, do solemnly and regretfully bequeath our most treasured possessions to the Junior Class.

To Fritz Cornelius, BOB BLACK leaves his long hair and ability to surf.

I, MARSHALL RICHARDSON, leave my ability to pole vault to Julian Garcia and my ability to love to Ricky Ray.

I, LAWRENCE HURTA, leave my height to Carlton LaBeff and the 4 1/2 hairs on my chest to Greg Williams.

SUSI THOMPSON leaves her ability to get a guy from the class of '67 and keep him, to Debbie Dabelgott.

I, CHINA BOONE, leave my shorthand speed and the 5th period English Class to Alice Boone.

NANCY VAVRA leaves Rhonda Denbow all the East Bernard dances.

DEBBIE JASEK leaves her ability to chew gum without being caught to Geneva Dabelgott and her ability to throw shot to Walter Woods.

To Donna Harter, SALLY HOLLAND leaves her love of bookkeeping. May she enjoy it.

LETICIA FOUSE leaves her light complexion to Tony and Larry Martinez.

And lastly to all the Juniors, we leave the distinction of being Seniors and the right to rule the halls of T.H.S. May you rule in peace.

# Senior Class Prophecy 1972

Ten years have passed, and we are ready to look up the T.H.S. '72 graduates for their reunion. We find they have been living together in Moletown, an experimental underground city founded by nuclear scientist JAMES RICKAWAY, designed to keep out environmental pollution.

We are met by the elevator boy, KENNETH PESAK, who takes us down into the city. As the door opens, we are immediately searched by the city's two top-hand guards, MARSHALL RICHARDSON and BOB BLACK. They are stationed there to keep out all possible polluters. After being searched, we pass by the detention cell where DONNIE GENZER, charged with pollution, is being held for deportation.

An electrically powered taxi, driven by LAWRENCE HURTA who was awarded the "1972 Safe Driver of the Year Award," takes us on a tour of the city.

We stop by the courthouse where VANESSA DAVIS GAINER is trying to divorce her husband BEN. After ten years and ten kids, she suddenly discovered their signs weren't matched. Judge CHINA MAE BOONE is now overruling Vanessa's attorney JANET GUYNES. The defending attorney ANITA LEZAK smiles victoriously at having finally defeated Janet at something.

Next door at City Hall we see Constable MARTIN TOBOLA dragging in DALE JOHNSON, not for being drunk, but for polluting himself. We hear Dale muttering, "I was only testing the wine." Mayor BOBBY "Peca" KRENEK is dictating a proclamation to his secretary DORIS ZEMANEK asking everyone in Moletown either to use Listerine twice daily or cut their breathing in half.

Walking across the street to ANNIE MAE KACER and JANE ORSAK'S "Skinny Minnie Reducing Center," we are scolded by TERRY SHIMEK for leaving footprints on her freshly waxed street. We enter the center to find STEVE SPARKS and LETRICIA FOUSE putting in long, hard hours in their crash reducing course.

Our next stop is "Paul's Perfectly Unpolluted Petroleum" owned and managed by PAUL DANNELS. Paul recently developed a new fuel that produces absolutely no pollution. He regretfully adds that sales have not been too good because it doesn't produce any energy either. While we're there, we see ROBERT MERTA in the back room fixing flats after his many experiences on shell roads.

Much to our surprise, we turn and see the Moletown Marching Band under the direction of drum-major KATHY SAHA. The entire band is composed of BARBARA JOHNSON and DEBBIE JASEK. In order to prevent noise pollution, Mayor Krenek has outlawed the use of reeds in their clarinets. DONALD HICKL is marching directly behind them wearing a sign to publicize the opening of JANICE HADLEY'S new candy shop, "Janice's Jellied Jewels."

Beside Janice's shop is the very popular hangout of Moletown, "DORNAK'S DAIRY CLEAN." DOUG'S car hops are from the agency, JUNEK'S INC., run by Joyce and Cynthia. These sexy "customer grabbers" are TONY SLIVA and ANTHONY HICKL.

As in every town there is an import shop. Moletown's shop holds bottles of polluted air distributed by MIKE BAKER and NANCY VAVRA. We see SUSIE BOLLING THOMPSON and RAMIRO MARTINEZ buying bottles to remind them of the feed lots that are now things of the past. Of course, there is also evil in every town. CURTIS HEBERT and SHARON SARDINEA are just recovering from an overdose of polluted air.

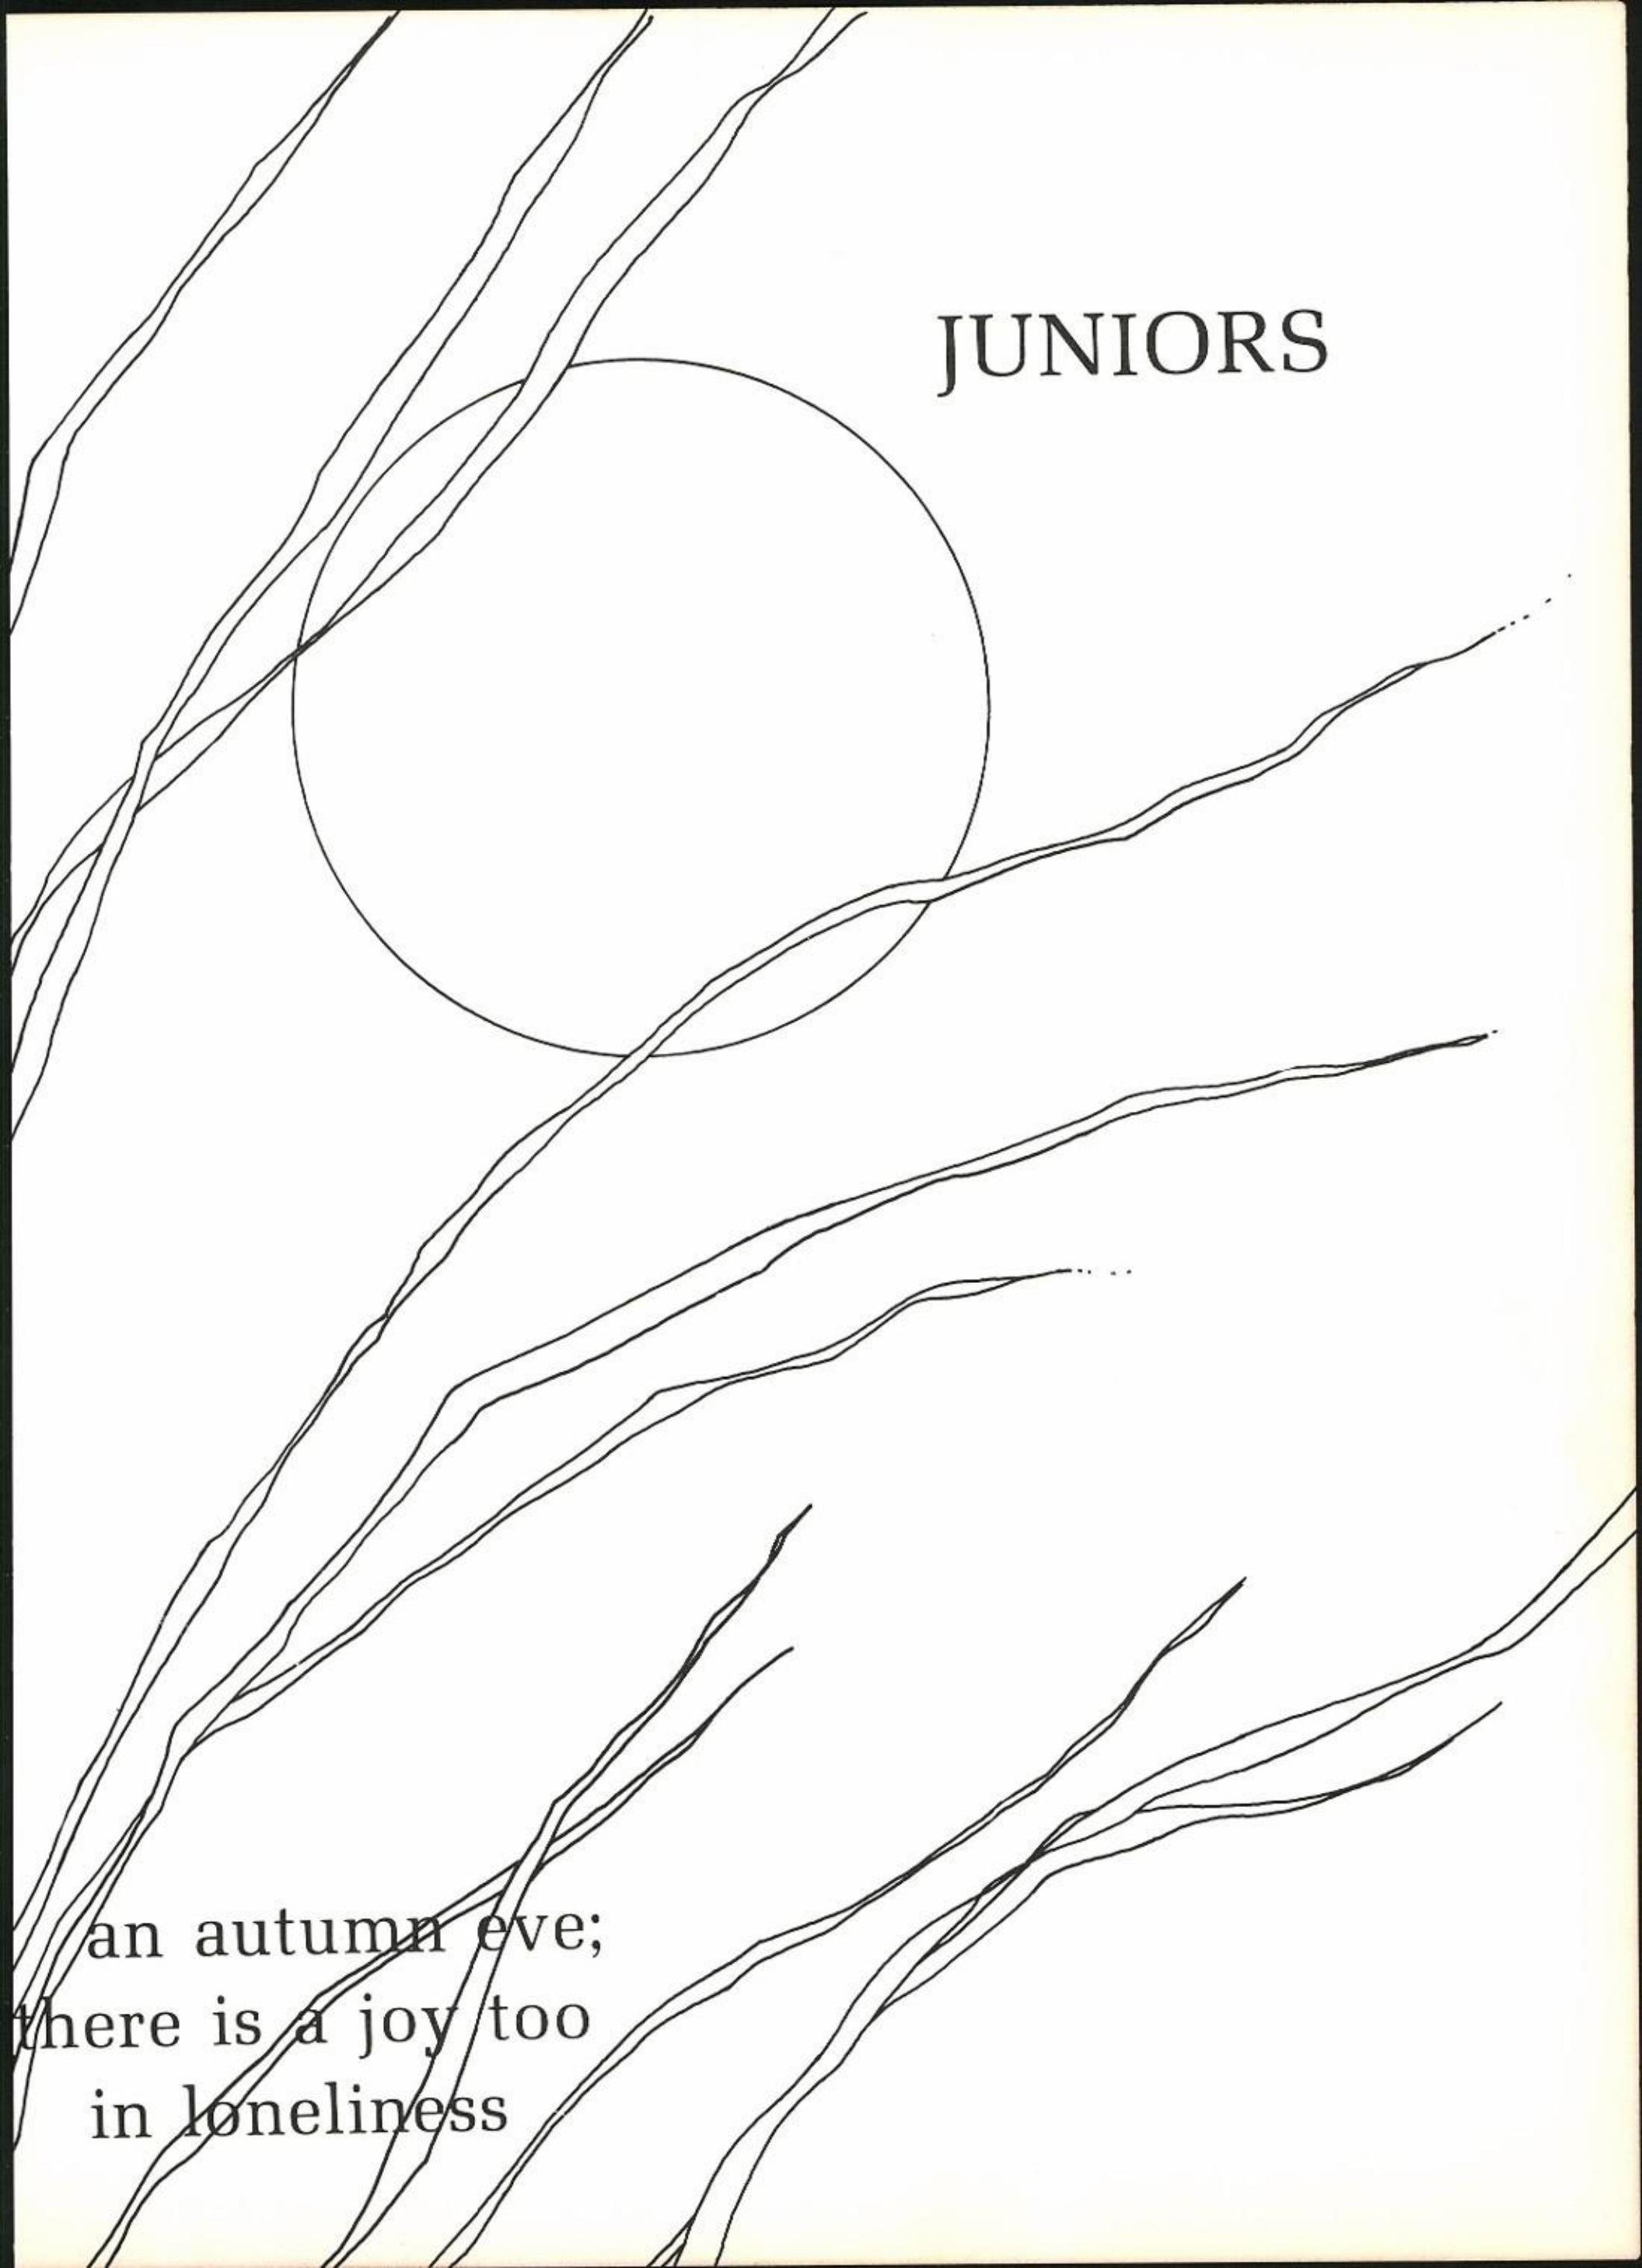

GLORIA FLORES and SALLY HOLLAND are using their high school training by desperately trying to save BARBARA SLIVA'S hair, damaged after she dived head first into a pool of chlorine. The pool manager, DEBBIE FOUSE, is responsible because she absentmindedly forgot to add the water to the pool.

After seeing all the '72 graduates of THS, we decide to return to El Maton. Approaching the elevator, we are asked one question by our escort James Rickaway - what we think of the pollution-free city. We all agree that a little dirt never hurt anybody, and we are glad to get back to El Maton.

An abstract line drawing in black ink on a light background. It features a large circle in the upper left quadrant, partially enclosed by several long, flowing, and somewhat parallel lines that sweep across the page from the top left towards the bottom right. These lines resemble the branches of a tree or perhaps stylized waves. The overall composition is minimalist and evocative.
